February in Florida

Spring in Florida gets a jump start in February! Hiring a professional to clean your home's exterior during spring in Florida is crucial in protecting your property from damage. The warm and humid climate in Florida can cause rapid growth of mildew, algae, and moss, which can eat away at surfaces and cause deterioration over time.

BOOK NOW

Relax! Leave it to us

Cleaning the exterior of a home can be time-consuming and physically demanding. Hiring a professional cleaning service will free up your time and reduce the physical effort required to maintain the appearance of your home.

BOOK NOW

Be our Valentine

Show your home some LOVE! Regular exterior cleaning is essential in maintaining the appearance of your property. A professional cleaning service will effectively remove dirt, grime, pollen, and mildew, leaving your home looking its best.

FEBRUARY 2023

The Pollen Problem

clean now, or wait?

Stay ahead of it

Pollen can accumulate on various surfaces, such as windows, siding, and decks. Over time, the pollen buildup can become hard and difficult to remove with just a simple hose and brush. Additionally, pollen contains allergens that can cause respiratory issues for those who are sensitive to it. For example, if you have allergies to tree pollen, you may experience sneezing, itching, and runny nose, just by coming into contact with it.

Pressure washing is a powerful and effective way to clean pollen off your home's exterior. A pressure washer uses high-pressure water to blast away the pollen buildup, leaving your home looking clean and refreshed. Pressure washing is also a fast and efficient way to clean, as it can clean a large surface area in a short amount of time. Additionally, pressure washing is an eco-friendly option, as it uses water instead of harsh chemicals to clean.

Staying ahead of it, is the HEALTHIEST option!

SOME NEW FACES ON THE TEAM

An Ocala native, there's no such thing as a desk job for Tate! When he's not in the sun on a ladder cleaning your home, you can find him on the water surfing, kayaking and doing just about anything in the fresh air. We're thrilled to have him on the team not only for his experience, but also his sweet demeanor. He goes out of his way to make sure every customer has a smile before he leaves their home.

Join us in welcoming our newest baby rhino to our team! Chris has impressed us since day one, he's a local who races motocross and working hard. We know you will love him as much as we do!
